

Parshat Netzavim-VaYelech

Maze Magic

This week we see Moses giving some final words of advice to the people of Israel. He is getting ready to end his time as the leader of Bnei Israel and hand over leadership to Yehoshua Ben Nun. In this week's Torah reading, Moses hands the written Torah to the Priests to pass it on to the people to learn and to follow. Help Moses pass the torah to the Priests this week.

Shabbat Shalom!
