

Parshat Shelach

Maze Magic

This week the twelve spies are sent to the land of Israel to scout the land. The spies encounter sons of giants, and giant grapes, pomegranates and figs. They returned to the Israelites after 40 days and told them all they had seen, frightening the Israelites so badly they wanted to return to Egypt to be slaves! Two brave spies speak up and try to calm the fears of the Israelites.

Help the Spies find the giant grapes this week.
